

PLAN TO ATTEND

NATIONAL SOYBEAN
Advancing
**Nematode
Management**
for the Future
2022
NEMATODE CONFERENCE

PRESENTED BY

The American Phytopathological Society in
collaboration with The SCN Coalition.

SAVE THE DATE

DECEMBER 14-16, 2022

The DeSoto Hotel · Savannah, Georgia

**THE WORLD'S PREMIER EVENT FOR SOYBEAN
NEMATODE RESEARCH**

Join academia and industry scientists, students, crop advisers, grower organizations and ag media as we highlight the value and impact of research, the power of public-private partnerships, and foster the next generation of young professionals developing tools in the fight against nematodes.

Contact Melissa Mitchum,
University of Georgia nematologist,
for more information.

Email: Melissa.Mitchum@uga.edu

For more information, visit: apsnet.org/NSNC

What's your number?

Take the test.  Beat the pest.

The **SCN** Coalition™

Funded by the soybean checkoff
